

Nashville, Tenn.,

Oct. 5, 1910.

W.C. and Mrs. E.G. White,
Sanitarium, Cal.

Can not understand your letters in not investing in manufacturing for business enterprises, and do not intend to. Sold one thousand dollars from office equipment last twelve months, and in the same time invested one hundred dollars. Invested five hundred dollars in new books and revisions. Have arranged to secure loan elsewhere. Full particulars by mail.

J.E. White.
