Elder J. E. White,
Marshall, Michigan.

Dear Brother White:

We have your favor of the 23rd ult., making inquiry in regard to securing a translation into the Spanish language of the poetry appearing in the first part of "Gospel Primer No. 2." Enclosed you will find copy of a letter we have just written Prof. Bransby in regard to the matter. If he is not willing to undertake the job then we will try to find some one else. Will write you again as soon as we have anything definite. It has been our experience, however, that translators dislike very much to undertake to translate poetry. It is a very hard thing to do.

The annual meeting of the Pacific Press Publishing Assn. was held on Monday of last week. There was a good attendance, and everything passed off pleasantly. Enclosed you will find report from the Manager, giving an account of the workings of the institution during the past year. You will be glad to learn that it was one of the most prosperous years in the history of the institution, our net gain being a little over \$26,000, and better than all else, we were able to reduce our indebtedness over \$18,000. Our work is running a little light just now, but still we are hoping for another good year.

With kind regards and best wishes, we remain

Yours sincerely,

PACIFIC PRESS PUBLISHING ASSN.

Manager
