Dear Mother:-

In a recent letter you stated that the money that had been given you by Harper had been sent forward some days before. We have not received anything of this kind for a good many weeks, and so fear that it has been lost in the mails. Some one should look the matter up and see that it is properly traced.

I am feeling much better than I have been for sometime and hope to be able to do my usual work very shortly. As ever,

Your son,

J. E. White
