My dear Willie - We have just returned from Bro Sawyer's where we stayed last night. We are having good meetings here. Tell Bro & Sr Raymond that this church is coming out right.

And now, dear boy, we are not coming home at present, but go East as far as Maine, and may not see you till December. Don't feel bad, but pray for us. You must have some one write for you to us immediately. Just sit down and tell them what to write. Tell us all you want and we will send it to you. Trust in the Lord dear Willie and he will take care of you.

Your father
