ORIGIN OF 1843 CHART.

"In May, 1842, a general conference was again convened in Boston, Mass. At the opening of this meeting Br. Chas. Fitch and A. Hale of Haverhill, presented us the Visions of Daniel and John which they had painted on cloth, with the prophetic numbers and ending of the vision, which they called a chart. Br. F., in explaining the subject said in substance as follows: he had been turning it over in his mind, and felt that if something of this kind could be done, it would simplify the subject, and make it much easier for him to present to the people. Here new light seemed to spring up. These brethren had fulfilled a prophecy given by Hab. 2468 years before, where it says, "And the Lord answered me and said, Write the vision and make it plain upon tables, that he may run that readeth it." This thing now became so plain to all, that it was unanimously voted to have three hundred of these charts lithographed forthwith, that those who felt the message may read and run with it."--"Second Advent Waymarks," by Joseph Bates, p.10.
