Dear Mr. Baxter:

We have received your letter of April 3 in which you state you are doing a project on the life of Joseph Bates, and would like information regarding his life and work. You will find some helpful information in the following books:

Christ's Last Legion, by A. W. Spalding, pages 44, 117, 209, 671.

Captains of the Host, by A. W. Spalding, Please note references to Joseph Bates in the index.

Founders of the Message, by Everett Dick, pages 105 to 155, the chapter entitled, "Joseph Bates, Pioneers of the Pioneers Among Seventh-day Adventists."

Footprints of the Pioneers, by A. W. Spalding, pp. 40-48, the chapter entitled, "The Lone York Shilling."

We are also enclosing two articles from an early Review and Herald which will give you some interesting material. We trust that you will be able to present a project that will inspire others to study the lives and work of our early pioneers.
