

From Jos. H. Starnes, 2734 Mission St., SF10, Calif.

Q & A.

"All heaven is astir making preparations for the coming of the Lord."

"When Jesus comes, not only the angels come with Him, but representatives from all over God's universe will line the way on either side from earth to the planet where they are to be entertained. They are lined up on either side, each one anxious to catch the first glimpse of the triumphant throng which Jesus is leading upward.

"The representatives from all over God's Universe who are to witness this triumphant march are now making preparation for their entertainment on a planet where they will spend the Sabbath.

"They are now bringing fruit from all parts of the universe, from all other worlds, and are storing it on this one for the Sabbath day's entertainment of the redeemed."

This statement was made by Sr. E. G. White at her dining table at St. Helena and reported by her stenographer, Jennie L. Ireland.
