Tim:

Have had inquiry re Cremation. In our Q & A file there is only one
piece: a letter from A. L. White to John Morley. Bill wrote an
answer to
an inquirer in 1986 and his letter indicates there should be more
items
in this folder. "We're sending you a couple of items out of the Q &
A
File," he wrote. Would you please check your file to see if there is
more material there? Thank you.
