Dear Brethern:

I would like information on a few subjects. The first ,was Melchisedec Christ? I am satisfied that he was not, but a brother in our church is trying to prove that he was. We also have one that says that the Sabbath was not given at creation but was kept before creation. All I can find is that it was made for man, that would have to be after creation. He also teaches that Jesus is not building mansions for us but that we will live in the ones that satan and his angels lived in. He has never given any proof, but I have heard that he uses the statement that Sister White made when she repeated what satan said, "are these the people that are going to take our place."

A brother in the church wanted to know about 1 Peter 3:19. on how he could answer a none believer.

Thanks for your trouble.

Your bro in Christ
