Dear Brother Froom:

This morning I received your letter in which you refer to the rumor of the stand taken by Ellen White on meat eating and the reported modification of this stand after a conversation with Elder Daniells. The whole story is told in a document which we are enclosing. We trust that this will give the information which you desire. If other copies are needed, they may be had upon request.

I rejoice in the report of the interest which you find on the part of our people in the message you are presenting. I am looking forward to working with you when you return as you give further study to righteousness by faith and the real teaching of 1888.

Sincerely your brother,

Arthur L. White, Secretary
