Notes: *The Desire of Ages* first came out in 1898. It is a book written about Jesus Christ from just before His birth to His ascension as found in the books of *Matthew, Mark, Luke* and *John* plus the first chapter of *Acts*.

The numbers in parentheses at the end of the sentences are to the pages where the answers may be found. This will differ depending on the edition used. In this third volume of the "Conflict of the Ages" series, the edition used is the paperback with the cover color illustrations by Dave Loveless and Herschel Hughes.

Maps that are numbered (for example: 125) or have a number-letter combination (for example: 107a) are from the *Bible Atlas* by Zaine Ridling. Used by permission.

Maps are NOT a part of the pdf because it would make the document too big. Therefore, links are provided to the maps in the places they would be otherwise.
